

THE BLACKHAWK SMOKE SIGNAL

A publication dedicated to serving CLUB MEMBERS and promoting the Objects of Kiwanis International.

Issue # 3

September 17, 1989

Good morning ! Welcome to the meeting of The Kiwanis Club of Janesville, Wisconsin, Blackhawk Golden "K".

Build Better Communities

The good news is that city officials are planning for waste recycling. The bad news is that waste recycling will cost more than twice our present landfill method. Will recycling and waste disposal become another "Utility" funded by direct taxes as is water and waste water?

Tom Rogers, Assistant City Manager and John Wickhim, Recycling Coordinator for the city presented a fact filled, educational program to club members at September 13 meeting.

Civic pride and a keen awareness of the problems surfaced in members questions to the panel. The decade of the ninties may bring back the pungent smell of Autumn leaves burning.

Sickness - Injury

Remembered in our thoughts and prayers: Don Draeger, Floyd Pake, and Curt Grant away to be with his son during surgery. Also, others unable to be with us due to illness.

Official Visit

Lieutenant Governor Rolland Schlieve made his visit official. He presented Division 3's Lieutenant Governor Home Club Banner to Janesville Blackhawk Golden "K" in honor of Woodrow J. Schoenfeld, Administrative Year 1989-90 Lieutenant Governor Designate. A reliable source reports that "Woody" is already hard at work. One of the duties of A Lieutenant Governor is to visit each Club in the Division once in every quarter. One of the ways in which the Home Club supports their Lieutenant Governor is to provide Interclubs for these visits.
