Volume 1 - Number 1

November - 1991

We're No. 1 -

Volume One, Number One, Page One and every One of our members to have an interest in it.

I'm speaking of our first Janesville Blackhawk Golden K Club bulletin.

It is our plan to provide you with interesting notes and notices on programs, events, policies and editorials to inform us all of local, state and national Kiwanis directives. In addition, we would like to focus in on our own personal achievements and personalities.

This is not a two or three man project to produce an educational as well as entertaining mouth organ (so to speak), so let's everyone feel free to contribute whatever could add to the success of this venture.

Should you disagree with any or all of the contents there-in, just grind your teeth and well, maybe "Bite the Bullet-in?"
