## Ooops!

An apology is in order for omitting club officers and directors names in the January bulletin.

Our proof-reader was ill at home at time of publication and in such situations, miscues, misquotes and mistakes are to be expected. Hence, we stayed with tradition.

So, with this open apology, we are hopeful the officers and directors will resume regular (press) relations with us?

## Kiwan-I-tems

The Priority One Committee of our club which includes Bill Carpenter, John Egleston, John Gimla, Ned Smith, Dale Thompson, Robert Will and Dave Zigler has been working since 1991.

Interviews have been held with Linda Smith, Rock Co. Soical Services; Lisa Furseth, YWCA and Mary Dikkeboom, UW Ext. Rock Co. Discussed with these people were several areas in which our club might help out, within the scope of the "young children" definition which is prenatal through 5 years old.

The most promising project appears to be Mary Dikkeboom's effort of getting a current publication called "Parenting The First Year" mailed to new parents of firstborns.
