## KIWAN-I-TEMS

Tom Albanese and Charles Wanninger are always looking for new faces to put out the monthly "Priority One Newsletter" and the Bingo boys can use an extra hand.

Seventy seven members and guests enjoyed the Valentines Day party at McRaven's. Chuck and Bea Niles entertained the group with a one-act play.

Don Draeger was an excellent pitch-hitter on Ice Day February 15. We enjoyed his slides on Thailand, Hong Kong and Singapore. Thanks Don!

Before the golf season starts remember that John Higgins and the club's euchre & bridge players and are still dealing cards on the second and third Wednesdays at the Elks Club. On Wednesday February 22, about a dozen of us filled two tables of bridge and one table of euchre and thanks to Roy Brandt some of us learned something about a guy named Stayman.

Looking ahead, mark your calendars for two consecutive Saturdays. On April 15 we will be soliciting money and distributing Easter lilies to raise money for our disabled campers to go to Camp Wabek. On April 22 we will be selling evergreen transplants. The tree committee has ordered 7000 trees and is now reconfirming the orders of last year for 1100 trees. These pre-sales are growing with each contact.

The "Smoke Signal" will come out next month on March 29. Your editors Holcomb, Knoerr and Shefte will be out of town. Please have your news in by Wednesday, March 22.

GREETERS FOR MARCH
