### IDD NEWS

Another milestone has been reached in the Golden K campaign. We went over the \$2,000 mark in the "Painless Project" loose change collection at our May 7 meeting. Our total fund has now topped \$3,400!!

According to a recent USCA study, men have more change in their pockets during the summer months than any other season. So our collections are expected to increase if you each do your share. 30c per week is all we ask

Golden K members BOB BENNETT, BOB SESSLER, and JIM STRAWN showed up at Marshall Middle School on a Thursday morning to transport 12 members of the Builders Club to Franklin Middle School and 12 Franklin students back to Marshall for an exchange day.

JOHN HOLCOMB was instrumental in organizing a rummage sale in conjunction with Marshall Builders Club. John and the kids raised \$140, \$60 of which was donated to IDD.

## GOLF NEWS

Social Committee Chairman, FRED KUFRIN reports that at our May 9 outing the weather man did not cooperate at all - Cold, wet and windy. Nevertheless, 18 brave and hardy souls showed up and finished 9 holes. (A real tough bunch.)

FRED hopes for better weather for outing number 2, on Friday June 6. So far 45 members have signed up to play this year.
