The annual "Red Barn Open" at Rockton will be in July. Specific date and time will be announced at a later meeting.

The big blast of the year -- 18 holes and dinner will be Thursday, Aug 21 at Koshkonong Mounds, where we had it last year. BLACKHAWK GOLDEN K ACTIVITIES

IDD REPORT:

Jim Clark, IDD Chairman

IDD Loose Change collections continue to be good. They have averaged about \$35 each week in June. The big money from the Snow-Birds does make a difference. A badly bent penny plus a 25¢ gaming token from the Empress Casino in Joliet, Illinois were the unique highlights of recent collections. I'm not sure how the IDD workers in Botswana or Zimbabwe will use these. Remember, 30¢ each week is all we're asking. But keep those dollar bills coming.

YCPO - Parenting the First Year Newsletter

Under the leadership of **CHARLES WANNINGER** and his co-chairman, **TOM ALBANESE**, eighteen Kiwanians prepared 1,117 Parenting First Year newsletters. The volunteers included eleven from Golden K five from the Noon Club. These newsletters benefited 2,234 persons at a cost of \$251.53 for printing and \$238.39 for postage. UW-Extension surveys have consistently shown that our newsletters are having a positive impact on parents.

REMINDER: The July mailing will be done on Wednesday July 23 at 8:15 am.

MEMBERSHIP AND RETENTION

VERNE BURROWS, MEMBERSHIP CHAIRMAN
SPECIAL GUEST DAY, 16 JULY 1997

REMINDER: Bring your Guest! However, don't forget that guests can be invited to any meeting, not just the special guest day.

JOHN HIGGINS

One of our members, John Higgins, passed away on June 18. He was always a dedicated and enthusiastic member of our club. Besides organizing golf outings, he also generated many ideas for fund-raising. Our annual tree sale was one of John's ideas and he convinced the club of its potential. Another idea he developed was our weekly drawing which has become an important source of income. John was a never-ceasing source of ideas, energy, and enthusiasm. We shall miss him!
