BLACKHAWK GOLDEN K ACTIVITIES

IDD REPORT:

Jim Clark, IDD Chairman

The IDD collections continue to generate money to aid the millions affected with the Iodine Deficiency Disease throughout the world. Total Kiwanis contributions already have saved more than three(3) million kids from mental retardation. Isn't it a good feeling to know that your weekly change/dollar contributions to our loose change bucket made you a part of this program??

Kiwanis International still has a long way to go in reaching the commitment of \$ 75 million. So please continue to be a part of the effort and "toss in your loose change".

KIWANIS PEANUT DAY

One of our major fund raisers--the distribution of peanuts - is scheduled for September 12 & 13, 1997. Thats a Friday and Saturday, so reserve those dates for your participation and mark your calendars to avoid any future conflict with other activities.

Note: Many thanks to committee chairmans in turning in material in a timely fashion. Great help!!.

YCPO - Parenting the First Year Newsletter

Under the leadership of **CHARLES WANNINGER** and his co-chairman, **TOM ALBANESE**, twenty Kiwanians prepared 1170 Parenting First Year newsletters. The volunteers included nineteen from Golden K, one from the Noon Club. These newsletters benefited 2,234 persons at a cost of \$259.31 for printing and \$263.25 for postage. UW-Extension surveys have consistently shown that our newsletters are having a positive impact on parents. August mailing completed six (6) years of service to 5,749 new parents and babies!!

REMINDER: The September mailing will be done on Wednesday September 17 at 8:15 am.

YCPO - PARENTING THE 2nd and 3rd YEAR

Dave Ziegler, Mary Dikkeboom, and Barb Bordner met at Mercy Hospital on August 12, 1997 to discuss preliminary information regarding the feasibility of implementing the Parenting Newsletter for the 2nd and 3rd years. Topics included:

1. This newsletter in a 12 copy set, sent out every other month for 2 years. Cost about \$3.00 per set of 12.
2. Postage---Mercy Hospital indicated they would pay postage.
3. The hospital would provide 24 labels, 12 for first year, and 12 for second and third year
4. Financial support---Blackhawk Golden K, Janesville Noon and Milton clubs have expressed interest. Clinton is considering support.
5. Additional volunteer effort would be required each month.
6. Storage of all newsletter, 1st., 2nd., and 3rd. year could be a factor as the new Court House has not been completed and available storage is unknown.

FRED KUFRIN

Another Golden K member that spent **MANY** volunteer hours arranging, planning, and administering the social and recreational events for the members of our club. Then later seeking out each "winner" to award the prizes. Fred's expertise and effort to accomplish these events are recognized and appreciated by all those that attend, and many who do not attend. Thanks a **GREAT BIG BUNCH, FRED**. You deserve a standing ovation!!

Fred tells me he isn't along in this endeavor. **JOHN DOOLEY** also provides his expertise and effort to assure that all goes well with golf, bowling, and the like **THANK YOU, JOHN!!** You also deserve a standing ovation.

THOUGHT FOR THE MONTH

It's time to see that your grandchildren go to church when they think the second coming is the return of Michael Jorden.
