## **BLACKHAWK GOLDEN K ACTIVITIES**

### **IDD REPORT:**

Jim Clark, IDD Chairman

October was **IDD MONTH** and our 'GOLDEN K' members came through with flying colors. Canisters placed in various Janesville business places brought more contributions to the cause. The "**QUARTER DAY**" special collection was a great success with tables **9** and **10** contributing the most quarters and sharing the coveted **first-place** award. **512** quarters were collected!! Don't forget to remind your grocery buyer to purchase **Morton's iodized salt** as they are major contributors and publicizers of the **IDD** project.

Special thanks go to **BILL YOUNG** and his wife **DORIS** for another major contribution to **IDD**. This will save 2000 children from mental retardation!

**EDITORS NOTE:** **JIM** deserves special credit for the tremendous job he is doing heading up our **IDD** effort.
