Starting in March, the last Wednesday of the month will be a Special Guest Day. The last Wednesday of March was the 31<sup>st</sup>. A good turnout of guests will help increase our membership. Guests are welcome any other Wednesday as well, but we would like to set aside a Special Day for them also.

The induction of new members is the 2<sup>nd</sup> Wednesday of the month. A new person wanting to join should have his membership form back to his sponsor at least a week before induction. Forms go to Dewey Cooper. See Dewey for forms or questions. Thanks.

#### RECREATION: Social Committee

##### Chairman - Fred Kufrin

March 12 was our final bowling date for the season. This team event was won by Jerry Kleinert, Rich McMullen, Ron Jung and Fred Kufrin

Sam Thurner and John Gimla each posted a 200 game.

During this season we bowled six times, with a total of 20 members participating. A very nice turnout.

For this coming summer season, we'll have monthly golf events and would encourage our new members to join us for some fun. Specific dates will be announced.

As of the past September, Kiwanis International had released more than \$15.2 million to various countries to help fight iodine deficiency disorders. A part of that money came from the \$9,137.84 that Blackhawk Golden-K members have contributed. Good for you, guys!

Frank Douglas found a recent article stating that a biochemist from our own Univ. of WI Madison found that iodine could prevent goiter, and his development of a method to stabilize iodine in salt, which resulted in the now-familiar table salt, effectively eliminated the disease in humans and livestock.
