KIWAN-I-TEMS

MEMBERSHIP: Chairman - Dewey Cooper
We inducted one new member for the month of April (see below). This gives us a total of 9 new members since the 1st of October. Let's try to increase that number by at least 2 or 3 per month. Remember—the last Wednesday of the month is Special Guest Day so let's all try to get more members for our club. See me for the forms for new members. Thanks—Dewey

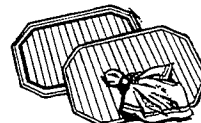

NEW GOLDEN K MEMBER INDUCTED
Leo Hansen was formally inducted into the Golden K on April 14. Leo and his wife have three children. During WW II Leo served in the Navy as a Seabee. He graduated from the University of Wisconsin with a degree in food science. He was employed by various companies before going to work for the Nestle Company, where he spent the last 20 years of employment. If you have not already done so, introduce yourself to Leo at the next meeting.

BOARD MEETING HIGHLIGHTS

No meeting in April. The April Board Meeting was moved to May 5th, the first meeting in May.

IDD Chairman - Jim Clark

Marv Roth earned \$130 for our IDD fund by selling 13 placemat ads for the Kiwanis Pancake Day. This, along with a major contribution by George McKilligin and our weekly loose change collections put us over the \$9,500 mark.

The April 28 Skip-a-Meal collection of \$467.50 has now propelled us over \$10,000! What a story of success you fellows have helped spin!!

We can all hold our heads high when we think of the thousands of less fortunate around the world that we are saving from mental retardation and other debilitating conditions. Please keep contributing, and thank you!

EDISON BUILDER'S CLUB PLANS YEAR END RECOGNITION EVENT

The Edison Builder's Club, sponsored by our Blackhawk Golden "K" Club, is completing its first year. It was a year that couldn't have been more successful. The thirty member club has participated in both community service activities and school improvement projects; and in addition, they have raised and given to the international IDD project \$1,500. Builder's Club members have also participated with members of our club in the Christmas Bell Ringing Project for the Salvation Army and in the Lily sale at Easter.

They are planning a year-end activity to be held at 3:30 PM, Tuesday, May 18th, in the cafeteria of Edison Middle School. The school is located at 1649 S Chatham St. Members of our Blackhawk Golden "K" club are urged to attend in recognition and support of what the first year Builder's Club has accomplished. Awards will be presented to both of the faculty advisors, Anita Fanta and Lillian Fieschko, and to Builder Club members who have outstanding service records. Both of the faculty advisors will be installed as honorary members of the Blackhawk Golden "K". Dave Ziegler and George McKilligin are our club advisors to the Builder's Club.
