### From the President's Desk

This issue of the Smoke Signal marks two significant firsts. The first pictures have been printed in the Newsletter, and we

have the first use of color. Dick Hadden and his committee are to be commended for their successful effort to meet their goal for this year of making some significant improvements to our newsletter, which by the way, has already won awards the past two years for excellence. Give Dick and his fellow committee members a pat on the back for their achievement!!

It is obvious that we are now going to make our promised goal of \$7,000 to I.D.D. We can do this and still carry forward a significant balance in the Service Account to begin the new administrative year on October 1, 2000.

The Annual Convention of the Wisconsin/Upper Michigan District will be held August 4-6, 2000, in Milwaukee. I have information on the convention and registration forms. If you are interested in attending all or part of the convention, please see me or Len Griffith.

..... George

~~~~~

*Thanks for the kind words George, we'll keep trying to make improvements. We give thanks also as we remember that the current newsletter is built on the strong foundation of predecessors who conceived and developed it.* .....Editor committee
