SALVATION ARMY BELL
RINGING

On Saturday, December 22, 2001, forty-seven Golden "K" members and twenty-two Edison Kiwanis Builders Club members rang Salvation Army Bells at nine different business locations.

It was a rainy, wet, cold day, but you still filled out your two-hour shifts. Thank you to each and every one of you for your efforts in making life a bit easier for many families in the Janesville area.

At the present time the Salvation Army officials do not have the final total of money you collected.

When I find out, I will certainly let you know what it is.

I want to thank all of you for your time and effort that you put into this very needed service project.
