## FROM THE PRESIDENTS DESK

### Summary of the 84<sup>th</sup> Annual District Convention, Wisconsin Dells September 6-8, 2002

Five hundred Kiwanians of all ages from Wisconsin and Upper Michigan convened to gain more information about Kiwanis.

Three members from the Golden "K" Club attended many informative sessions. Arnie Lee, Builders Club Administrator, presented George McKilligan with a certificate from National Headquarters honoring him for all his work with Builders Clubs. George also received a plaque from Division Three Kiwanis for his work and guidance in helping to establish Edison Builders Club as the outstanding Builders Club in Division Three.

The highlight for the Janesville group occurred at the Saturday night Governor's Banquet. Dayna McKilligan, 6<sup>th</sup> grader, from Edison Middle School Builders Club of Janesville gave a speech on what Builders Club and Kiwanis meant to her. Her poise and composure and ideas made it easy to see why she was selected as the District's outstanding Builders Club representative.

When she finished her speech, the hundreds of attending Kiwanians gave her a standing ovation. Her grandparents, George and Maxine McKilligan were two very proud people.

Dayna thanked our Golden "K" Club for being an important part of her Kiwanis experience. We gained a great deal of recognition as a result of Dayna's talk.

One more Janesville person addressed the group at the Governor's Banquet. He was Andrew Moe, Key Club Governor of our District. Andrew is a student at Parker Senior High School.

Congratulations to all the people who won honors and awards. I strongly encourage all of you Golden "K" members to attend a Division or District Convention. You will always learn something worthwhile. .... *Ray*

### INSTALLATION BANQUET

 The Installation of Officers Banquet at the Elks Club Wed night Sept 25 was a most pleasant evening. All enjoyed a tasty dinner. We were honored by the presence of our Lt. Gov. Marsha Lee and her husband Arnie [Past Lt. Gov.]. Many awards were presented and the Edison Builders Club, the Rock River Charter School Key Club and the new Lincoln School K-Kids Club received warm recognition. The evening ended with entertainment by Tim Glander, a magician par excellence. He had "assistants" from the audience. A big thanks to our outgoing President Pete Kealey for a job well done, and a warm welcome to our new President Ray Anderson.
