Great Job!! Thank you! Karl

FROM THE PRESIDENT'S CORNER

Happy Thanksgiving to each of you and your families. We should be thankful for the many gifts and blessings that have been given to us.

You are a member of a fine group of people, 117 of them. Our membership is down from last year. Let's wake up this sleeping giant of 117 members. Look at the list of outstanding programs coming up. Think about the good times you have conversing with each other before and after the meetings. Think about the fun and laughter you have with each other.

It is a shame that you don't share these experiences with others. There is a very simple way to get rid of that shame!

How? Bring a friend, a neighbor, a stranger to one of our meetings. Show them what Kiwanis is all about. If all of us do this, there is no telling how much our membership will increase.

Bring a guest, you bet. A new member we will get. [Thanks Bob and John].
