## FROM THE PRESIDENT'S CORNER

It is time to sweep out this corner and leave it in good shape for a new owner.

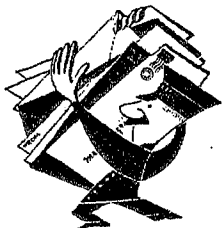

Before signing out, I want to thank all of you for helping make this an enjoyable and fast moving year. I will not mention any names or I would have to put 125 of them down.

I want to thank our **Tree Sale Committee** for a well organized and profit making event. Your **Program Committee** has done an outstanding job of providing fine programs week after week. Let's capitalize on them and bring in more new members.

Your **Smoke Signal** is the best publication in the Division. Thank you Dick Hadden. All of you will have a chance to make the **Car On The Ice Project** a successful and money making event.

We just voted to increase International dues \$15 and our Club dues \$10. I realize this can be a hardship for some. But please do not drop out of our club because of the increase. We need each and every one of you back next year. You won't find a better bunch of men to meet and converse with. You won't find a better group dedicated to helping children of all ages and making our area a better place in which to live.

Thanks again to all of you!  **Ray Anderson**
