## IMPORTANT CLUB BYLAW INFORMATION

The officers of this Club shall be a President, Immediate Past President, 1<sup>st</sup> Vice President, 2<sup>nd</sup> Vice President, Treasurer, Assistant Treasurer, Secretary, and Assistant Secretary.

The Board of Directors shall consist of the officers and 5 elected Directors. The Board of Directors shall meet regularly at least once each month.

A quorum of the Board of Directors shall be a majority.

At the Feb 25, 2004, Board of Directors Meeting 5 of the Board members were in attendance, not a majority. Therefore the Board could not legally carry out its duties. This is a very damaging situation for our club to be in.

Some important actions have to be taken soon. The Annual Meeting of this club shall be the 3<sup>rd</sup> Regular Weekly Meeting in April. [As required by the bylaws of Kiwanis International, the Annual Meeting of a club shall not be held earlier than the first meeting in April and not later than the second week in May]. The club membership shall be given at least two [2] weeks' notice of the date and place of the Annual Meeting.

The election of Officers and Directors shall be held at the Annual Meeting.

At a Regular Meeting of the club at least five [5] weeks prior to the date of the Annual meeting, the President shall appoint a Nominating Committee consisting of five [5] members.

The duties of this Committee shall be to make nominations, with the consent of those nominated, and to prepare a ballot for election of such Officers and Directors.

Gentlemen, long-term absences are hurting our club. As stated above, the full Board of Directors has many important topics to consider. Let's all put our oar in the water and get this ship going on an even keel.

Ray Anderson, Past President

## CAR ON ICE March Report

Congratulations to us all! Projects give direction to our Club. Without projects our Club flounders, uncertain of our purpose for meeting every Wednesday. Because of the effort of each of us, we raised \$10,000 for the **Children of Rock County**. Every Club member and every table group responded enthusiastically with time, talent and succor.

Many of us rediscovered the old rule that **"in giving you receive more than you give."** The dismantling and reassembling of the Suburban Image demanded huge blocks of time and a myriad of talents. We gave both. In return each of us met many members on a working basis. We learned of their backgrounds and their work histories. We came to appreciate the knowledge they had accumulated and the talents they had used over a lifetime. Other members showed initiative in the area of publicity for the event. Still others came forth with great ideas for the easiest way and the most approachable methods to use when selling tickets. As a group we tested and learned where the best places to sell are. We learned to maximize our return per hour. We became more visible to our community. The response of the community was **"We know of the great work you do. We are glad you are here."**

In the many steps, the myriad activities, and the unexpected barriers along the way we discovered much about each other. This project has given new meaning to our motto **"Helping The Children of the World."** The project is not complete and never will be complete. The car image will sink. It will be recovered and it will sink again. There are many untapped potential revenue sources for increasing sales next year. The joy is in the process and the challenge.
