**SUMMARY OF THE  
RONALD McDONALD  
DENTAL CARE MOBILE**  
— July 8, 2004

**T**hanks to all of you for once again making this a successful Kiwanis Project. Twenty of you spent 90 hours of time helping over 90 school age children get dental services.

The total cost to the club was \$125. In addition, many of you donated toothbrushes and toothpaste.

Two things caused us to make some adjustments. First, this is the first time the dental mobile was here in the summer. This caused a problem by not having centralized pickup and delivery spots for the dental patients.

Second, this caused a large number of no-shows for appointments. Summertime weather and no transportation added to the problem.

As a result of these things, not all of you were needed to help out. The Rock County Health Dept. contacted all volunteers. I am sorry for any inconvenience this may have caused.

You Blackhawk Golden "K" members provided about 95% of all the needed help. I especially want to thank **Jim Merchant** and **Jerry Kauchak** for working many multiple shifts.

Thanks to all of you again for your help. The next Mobile visit may be sometime in October.
