## Box Tops For Education for Lincoln K-Kids

Just think how many times we have looked at a box or a package that has a "Box Top For Education" label on it. Then we do nothing but throw the box away.

Fellas it's time for a change. Take a minute and cut the "Box Top for Education" off the box, can, or package and throw it in an envelope. Then once a month bring the "Tops" to BGKC.

For each label the Lincoln K-Kids get 10¢.

You can also bring in the front of the Campbell's Soup labels. The K-Kids redeem these for school equipment.

The K-Kids thank you!

Elmer Lipke, Don Eckert & Bob Johnson

## FROM THE PRESIDENT'S DESK

Our Installation Banquet on September 29<sup>th</sup> was a great night for this Golden "K" member. Mary was with me as Dr. Odland put the President's Pin on my lapel and passed the gavel that I'll use to begin and end each weekly meeting 'till next September.

Lt. Governor Marcia Lee led the evening. At her side for the dinner was her husband Arnie. A big thank you to Marcia for all her help as we get into our 2004-2005 year and for all the help that will be needed through the year. Thanks Marcia.

We have a great year of quality programs already planned. Our Committees are up and running and the Club is looking good.

Thanks to all of you for filling out the surveys and committing to help your Club grow and help the Children of this area and "The Children of the World." There's a lot of work but we can do it.

One change to our regular weekly meetings at the Son's of Norway Lodge is the "Tour of the GM Plant" on a date to be announced. Make sure you show up on that date at the GM Plant and not the Son's of Norway Lodge. We'll have more on car pooling and parking as we progress in the planning.

As with most other Club information you can access our Club WebSite at: [www.kiwanis.org/club/blackhawk](http://www.kiwanis.org/club/blackhawk) or check the SMOKE SIGNAL. [On the WebSite just click on the link on the left labeled, e-SmokeSignal.] Congrats men!

Many awards were given out. 47 Perfect Attendance awards [several members not present] presented by Dave Ziegler. Four HIXON awards were presented by Lt. Governor Lee to Bob Johnson, Pete Kealey, Jim Marchant and the President. Criteria for the Hixons were Financial Assistance to IDD, Interest and Involvement in IDD and Involvement in Blackhawk Golden "K" activities. Jim Clark was called forward by Governor Lee and was presented with the DIAMOND HIXON award for his tremendous work for the International IDD program over the years and his many other efforts in the Club including past Club Secretary. This IDD program is attempting to rid the world of Iodine Deficiency Disorder by spending one nickel [5 cents] per kid. Millions of kids are suffering by not having the simple ingredient of iodine in their salt. A remarkable program and we congratulate you Jim.

As we all know, our Club was led this past year by Dr. Paul Odland, myself and Curt Larson at the head table. We had 4 years and 2 month Club Membership total for the 3 of us when we began a year ago. Yes, we took off for vacation commitments. Paul for 4 months in WI and MI, Curt goes out west for 2 months and I spent 4 moonths 8,000 miles away on Guam. You had faith enough in us to vote us in and help us learn. We gave a year of our best! The 3 of us worked one for all and all for one. Hope you enjoyed it as much as we did. Thanks to all of you.

Thanks to my friend Paul for helping me get ready to take the helm of this great ship called Blackhawk Golden "K" Club.

You can count on my continued enthusiasm, dedication, positive attitude and persistence. Where I lack knowledge I have some great help. Will Reck will act as Parliamentarian and interpret Roberts Rules of Order.

At the Installation Banquet I announced 2 Special Appointments. Pete Kealey, Past President, will be working closely with me as he has since he invited me to join the Club. A 2<sup>nd</sup> appointment I made was Ray Anderson, Past President, with whom I attended the International Convention a year ago. He will help in a couple ways; part of a "Research Group" we're hoping to present to the Board and a sort of Committee Coordinator. Both these men will at times speak for me. Thanks to the 2 of you fellows.

My Club goals for 2004-2005 will be finished soon and I'll distribute them soon. They will incorporate the goals of our Lt. Governor and the International led by our own Case VanKleef from Plover, WI. He showed that big things can come from small beginnings. Plover is a tiny dot on the World map. Now Case will lead our World Wide Kiwanis.

Let's work together for another year. We'll work to grow our Club in number and diversity. Our Golden "K" Club will continue to help the Children of our area and "The Children of the World." We build! Let's have a good, fun year.
