FROM THE PRESIDENT'S DESK

As I write this before I am your actual President, I feel we need to reflect briefly on the past year.

Many good things were accomplished by this club in our year long service and fund raising efforts. Those efforts provided the basis for funding of our many fine programs your club was involved with.

I would personally like to thank all members for helping in the projects. Without your help and involvement this would not be possible.

When I joined the Blackhawk Golden "K" on January 29th, 2003, little did I believe I would be President on September 28th, 2005. It is apparently a fact, so we need to hit the ground running.

Our committee chairs are 98% filled and our committees are being filled and challenged.

Budgets are being reviewed and established for the coming year. Club goals are established to be within the framework of International President Steve Siemans.

I look forward to working with everyone to carry on our fine tradition of excellence

.....Curt
