The program was presented by Dr. Charles Benedict, Beloit's State Assemblyman. His main focus in the Assembly is health care issues. He is working on a bill that would provide universal health care to be paid by a single carrier [all insurance companies excluded]. The Bill is not yet being considered by the Health Care Committee.

## FROM THE PRESIDENT'S DESK

Curt Larson, President

As I write my July President's Message, I am getting ready to leave for Montreal, to attend the Kiwanis International Convention. It is always valuable and interesting to get a wider view of Kiwanis as an International Convention Delegate. I believe this is one of many interesting and important reasons to send delegates to such a convention.

Wisconsin-Upper Michigan will have a District Caucus on Thursday, June 29, 2006 at 4:00 PM in the District hotel, The Sheraton Center.

We will be asked to vote on 10 different proposed amendments. We also will be voting on new officers and trustees for the coming year. It is always interesting to me the time and talent that International officers and trustees bring to the positions.

I feel it is very interesting to watch and understand how the International meeting is conducted under strict Robert's Rules of Order.

Thank you for the opportunity to attend and represent our great club. President-Elect Phil and I will give you a summary of the convention at our July 5, 2006 meeting.

..... Curt Larson  
President
