### FROM THE PRESIDENT'S DESK

**A**s we begin to move forward into the new administrative year, I would like to, first of all, thank Curt for his dedicated leadership over the past year. Secondly, I want to thank all the committee chairmen for their willingness to continue their leadership responsibilities.

I would also like to congratulate those who received recognition at the installation banquet. Awards were presented for perfect attendance (47), Legion of Honor recipients (Carroll Flanagan - 60 years as a Kiwanian) and our newest Hixon award recipients, Gene Sheppard and K.B. Chladek.

Secretary Tony Guernsey has reported that 6-7 members will not be returning - most because of health problems. To replace these departing members, we will need to make a special effort to recruit new members, including a special effort to encourage women to join us in serving the children of our community.

With the help of all club members, I am looking forward to another great Golden "K" year.

----- Phil Selgren, 2006-07 President

>>>>> Kiwanians, <<<<<

Three cheers for Dick Hadden for the years he put in composing the Smoke Signal Newsletter. His guidance is to

"gather info" and report the "Board of Directors meetings." This I intend on doing. If you want to add something to this, your newsletter, just let me know. I request info by e-mail that will assist me in entering it into the computer. I've been very happy to be involved with this great Club and hope health and life allows me to continue for some time. If anyone is willing to assist me it will be good for the future of the newsletter in case Hadden and Eckert are unable.

Peace! Don Eckert God Bless America.
