TO BE ANNOUNCED.

FROM THE PRESIDENT'S DESK

Here's a wish that everyone enjoys a healthy and Happy New Year.

I hope you all enjoyed the Christmas holiday with your family. I really enjoyed having my youngest daughter's visit with granddaughters age 4 and 6 months from Ireland !

As I look back at December, I am pleased with the club's activity. V. P. Bob Knudsen has provided excellent programs, including the Christmas meeting entertainment.

With Bob and Pete's leadership, the Truck on Ice project is off to a great start (Pray for ice this year !)

With the Board's approval, I will be checking into the possibility of developing a better ball diamond at Kiwanis Park. I hope to provide more information at the January Board meeting.

I have discussed with the Board my concern regarding members who are not attending club meetings. Many find it difficult to attend because of health reasons. In the coming months, many will be enjoying their stay in a warmer climate. I will be trying to find a way to be in touch with those who can attend only once every month or two.

With the upgrading of the SON sound system, we are also using two traveling microphones to make questions for program presenters more efficient. If you have ideas to make it better, please talk to Nick Furlano or Don Kellogg.

I am hoping that all three officers will be able to attend the District's K University in Stevens Point on Feb. 17. It is a great opportunity to get questions answered, problems discussed and get information about new ideas that could benefit the club.

----- 2006/2007 President Phil Selgren

We need new members !!!

Anumber of members will not be with us this next year because of illness and personal reasons. Bring a relative or friend and share the fun and camaraderie of the Blackhawk Golden "K". They just might join.

Ronald McDonald Dental Mobile

Chair: Ray Anderson

The Ronald McDonald Dental Mobile will return to Janesville on January 2, 3, 4, 8, 9, 10, 11, 16, 17 and 18 of 2007 in the parking lot of the YWCA CARE HOUSE at 1126 Conde St.

This complete mobile dental office is staffed by dentist and assistant. UW Children's Hospital covers the costs.

2006 provided 110 appointments for 47 children. This dental treatment for uninsured/underinsured children was \$30,479: \$649 per child ranging from 4-17 years old.

Volunteers needed for Thurs. Jan 4th and Wed. Jan 10th, 8:00 AM to noon each day.

A special thanks to Jim Marchant for the many shifts worked each time the Unit is in town.

You can contact Ray at 752-9909 to help out. You can also donate tooth brushes/tooth paste in the box by the name tag table.
