## **FROM THE PRESIDENT'S DESK**

When will Spring get here? As I write this, the temperature is 45 F and it has rained all morning. I hope the grass dries before it gets ankle deep!

Two of the club fund raisers were completed in April.

Thanks to Curt Larson's leadership, the Easter Lily project collected funds that will benefit Camp Wawbeek. Because five locations were unmanned, the results were not as successful as hoped for. In May we will be asking if there is any interest in visiting the camp facilities sometime this summer to learn about the programs offered at the camp.

Thanks to the leadership of Roy and Curly, and the cooperation of many club members, the annual Tree Sale was conducted on April 21. In spite of all their hard work, the results were less than we had hoped for. Because of Roy's special efforts, all of the extra trees were sold or donated.

We were all disappointed that Tilli Schulze's special program had to be cancelled due to bad weather. Thanks to Frank Douglas for filling in at the last minute. It was great to see so many ladies attending. Tilli's presentation has been rescheduled to a July meeting.

Contributions to the projector replacement fund has passed the halfway point and will soon reach the \$1,258 goal. If you have not yet contributed, please help us reach the goal.

A huge THANK YOU goes to Bob Johnson for arranging a \$1000 matching grant from Sam's club. The funds will be used to provide \$300 to each of the seven Breakfast clubs that provide nutritious meals to students in the Janesville school system. Six club members were present at the grant presentation ceremony.

I would like to join the club in welcoming our newest member - VINCE McKEOWN. Vince is a former member of the noon club and will be a great addition to our club.

Applications for membership have been given two prospective members and if they decide to join, we'll be very close to our year end membership goal.

It was a delight to welcome 20 Edison Builders Club students and their advisors at the April 25 meeting. Advisors Chris Kolak, Mrs. Twist, and Craig Bergum do a terrific job of challenging these middle school students with school and community service projects.

On Wed. May 2, Floyd Kowal and the interclub group will visit the Rock River Charter Key Club at 12:30 PM. With this visit, the requirements for the District's Round Robin recognition will be met.

On March 30, I attended the Capitol Region meeting in Reedsburg that was scheduled to elect our representative on the District Board of Trustees. Mary Menes, from Boscobel, was re-elected as Trustee. At the same time, Marcia Lee was elected to succeed Tom Waller as Lt. Governor for Division 5.

I am currently looking for someone to be in charge of the flag disposal ceremony in June. Fred Wiltse has asked to be replaced. Thanks Fred, for your many years of service as one of the project coordinators.

Finally, on Wednesday May 2, the club will hold its annual meeting for the purpose of electing the officers and Board members for 2007-08. Nominating Chairman Len Griffith has announced the following slate: Bob Knudson, president; Richard Johnson, president elect; Will Reck, Treasurer. Bill Bessire, Fred Adams, and Ron DeVine as Board members.

The committee has not been able to find anyone willing to serve as Vice President. Nominations from the floor will be encouraged for this and any of the other offices.

----- President Phil Selgren

**Ronald McDonald Dental Mobile** ----- Chair: Ray Anderson

The Ronald McDonald Dental Mobile will be in Janesville May 15, 16, 17 and May 22, 23, 24. It will again be at the YWCA Care House, 1126 Conde St.

Thanks to Jim Marchant and all of the volunteer sports have been filled. Thanks.

I need someone to replace me as chairman for this project. After seven years, it is time to share the wealth.

All one has to do is to line up volunteers to help the young children while at the Dental Mobile. Diane Nelson, from the Rock County Health Dept, informs us when the Dental Mobile will be in Janesville. She provides us with the volunteer sign up list.

It works best when the chairperson belongs to another volunteer group in addition to Kiwanis. There are times when it is difficult to get enough volunteers from just one group.

This is a great project for helping young children. I would not like to see Golden "K" Kiwanis drop this opportunity. Please see me. I will be glad to answer any questions you might have.

----- Thanks, Ray Anderson

**SOCIAL COMMITTEE** Chair: Karl Petter
