FROM THE PRESIDENT'S DESK

..... Summer greetings to all Golden K'ers.
..... As we move into the last two months of the administrative year, there are many Club activities that we need to be aware that I'll mention below.
..... Thanks to the efforts of Bob Knudson, we have enjoyed some great programs in July: "My Thoughts are Free" by Tillie and Lorne; Bob Keith's adventure in Northern Iraq (Kurdish territory), and Al and Don's travel to India.
..... At our last July meeting, 24 Hixon award recipients gathered for a group photo that will be submitted to KIWANEWS for possible publication.
..... On Thursday, July 26, eight Golden K'ers and Wilma (happy birthday) Miller enjoyed a tour of Camp Wawbeek.
..... We are hoping that the SMOKE SIGNAL editor's computer problems will be corrected so that Club communications can get back to normal.
..... Our first August Club meeting, a visit to the Rock County airport, to observe the beginning of the Air Fest event.
..... On Thursday Aug. 2, Golden K golfers will enjoy a round of golf at Cecelia's. The first foursome, tee's off at 9:30 AM and will enjoy a great lunch provided by course staff.
..... Seven Golden K volunteers will serve cake and ice cream at the Tallman Ice Cream Social on Sunday Aug. 5 th.
..... As of this writing, 64 Kiwanians and spouses have signed up for the Buckley picnic on Wed. Aug. 15 at the lower (east) pavilion of Palmer Park. The pot luck meal will be served at 6:30 PM to be followed by a program provided by Magician Gerry Cox.
..... On Sunday August 19, five Brewer fans will travel to Miller park for the game with the Cincinnati Reds.
..... Sept. highlights that need to be placed on our calendars are:
1/ Kiwanis Peanut Day on Sept. 7 and 8. All able bodied Golden K'ers are urged to participate and make this final fund raiser of the year a success. Chairman John Casper will be passing a sign up sheet at all August club meetings.
2/ The final event of the year will be the annual Installation Banquet scheduled for Wed, September 26th. A sign up sheet will be passed around in the next few weeks. Details will be provided in next month's SMOKE SIGNAL.
.... I'm hoping that everyone will be able to survive the hottest month of the year. Were certainly getting adjusted to it with hot, humid July heat.
