### BUILDERS CLUB

Chair: *John Holcomb*

The Edison Builders Club just finished the school wide "food drive" for ECHO.

John Holcomb had his wife, Nancy, write "ECHO MAN" on an old white golf shirt. On the back was written "FEED THE HUNGRY". He stood in the front hallway of Edison and greeted the students with "food drive". The builder's club members echoed "food drive". He then gave a plea to all the homerooms with the morning announcements.

The picture and story in the Janesville Gazette on October 31 reported that over 3,000 nonperishable

food items were collected at the school during the last two weeks of October.

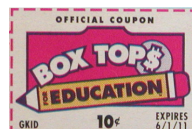

**The kids are anxious to come to our meeting on Wed Nov 14**

### K-KIDS @ Lincoln

Chair: *Bob Johnson*

"BOX TOPS FOR EDUCATION" is the K-Kids major fund raiser. Their advisors would like to have our members collect 500 Box Tops per month. That's only 5 per member.

These box tops are found on General Mills cereals, Kleenex, Zip Lock Bags, Pillsbury refrigerated cookie mix, cake mixes, brownie mixes, and many other items. **Let's do our part.**

The Lincoln School K Kids, sponsored by our Blackhawk Golden K, is off to a great start. When they met, the first item of business was to express their gratitude to Elmer Lipke for his many years of service to them. They welcomed Dick Johnson, Indigo, and Bob Johnson and look forward to meeting Jim Miller and Roy Poltrock.

They expressed their thanks to us and our club. Their first September meeting was a court cleanup and garden upgrade. They, along with parents and a few other children moved over eight yards of wood chips into the garden area.

Their second meeting had about 20 kids present. They all got a K Kids pin and newspaper. They

then discussed the potential plans for this year.

Mary Farrell continues as their advisor.

What a great group of young people!

### **BINGO AT ROCK HAVEN**      *Chair: K B Chladek*

First Wednesday of each month at 1:30 pm.

In October, 7 Kiwanians played bingo with 35 residents for a total of 14 service hours.

### **TRUCK ON ICE**      *Chairs: Bob Johnson & Pete Kealey*

Already people are asking our members if the truck is on the ice yet. As we all know it will be awhile before the ice to support it will arrive.

Prep work for tickets, truck cleaning has and continues to progress. Ticket sales will commence in December.

### **CLERGY MEETING**

On November 28, 2007, our club is having clergy persons as guests of our members. Members are asked to invite their clergyman, clergy woman, priest, or rabbi.

The purpose of this first annual clergy meeting is to acquaint your clergy persons to our club. These people are very aware of people who would benefit by being a member of our club. By acquainting the clergy, they may reach out to their members that would like to "help one child and one community at a time." Maybe they even would like to join. We will "tweek" the business session of this meeting to inform them about our club.

This will be a regular meeting. The speaker will present information concerning the Tallman Restorations.

Now, please reach out and do your part to bring these wonderful people as guests of our club!

Bob K, Pete K, Joel M, & Bob

### **PRESIDENT'S MESSAGE**

What a start this has been for me as your president. We have been busy revising policies and finalizing budgets.

Looking at our budget, I am over whelmed with what we are doing for the kids of our community and the world. I received a comment on one of the surveys that mentioned that we should cut back on our commitment to cover spots on our fundraisers. I respect the comment and encourage more people to make comments. But I feel we should keep on doing these fundraisers and look at doing more.

You say how can we do this? By helping out more and recruiting more members. Our membership committee has been criticized about not doing enough. I have been in contact with the committee and they are making great strides to do better and greater things.

In November, the members of our club are inviting clergy to come and see what we offer and to see if they can help us in our membership drive. In November, we have another month of excellent programs lined up.

The club will be involved in the second meeting for the "YOUTH BANQUET" scheduled for March 8, 2008.

I will be gone November 3-10 to New Orleans to help with rebuilding the city one house at a time. Rich Johnson will be in charge of the November 7<sup>th</sup> meeting. Give him all the encouragement and help he needs.

As we enjoy the beautiful season of fall, let us not forget the One who made it all possible for us to enjoy. Give praise unto Him. Give thanks unto Him.

Your president, Bob Knudson
