INTERCLUB NEWS
Chair: *Phil Selgren*

On Tuesday, June 17, four club members traveled to Whitewater to visit the Noon Kiwanis club. Most of their five members were delighted to renew past memories with Carroll Flanagan.

The program was presented by a UW-W faculty member who described the effect that biological and chemical contaminants will have on the future environment of state lakes, rivers, ponds and wells – ***not a pretty picture***!

Golden K'ers attending were: Jesse Scarborough, Charles Wanninger, Carrol Flanagan, and Phil Selgren..

Our final interclub will be a visit with the Whitewater Breakfast club, scheduled for Tuesday, July 15 at 7:00 am – a perfect activity for all early risers!

FROM THE PRESIDENT'S DESK

Just arrived home from the Kiwanis International Convention and will have a program on the conference along with Richard Johnson at our first meeting in July.

Summer is finally here and the water is receding. Good to see both happening. School is out so please watch out for the children.

Not much happening in July except July 4th. Have a nice 4th with friends, family, and relatives. Remember when you are getting food for picnics, you can buy hot dogs in packages of 10 and buns in packages of eight…..Only in America.

Have a nice July 4th and don't forget "CONCERT IN THE PARK".

Bob Knudson

FLAG / PATRIOTIC   Chair: David Soderberg

This year we collected 604 flags thanks to our new collection container designed and painted by Ashley Rutter, and the publicity provided by the Janesville Gazette. Troup 540 neatly prepared the flags and presented them for disposal in the ceremony on June 12.

As part of the flag disposal ceremony, a plaque in memory of Marv Roth was presented to his wife Betty and was permanently installed at the base of the flag collection container.

Thanks committee! and all who supported this event.
