## COMMITTEES

Pete Kealey

The first step for a successful Kiwanis year is to volunteer for committees. Please continue to sign up for committees during October. Committees are the heart of our club. **Committees focus on the purpose of our existence.**

We have over 40 committees and about 100 members. Please make this another successful year by signing up for 3 or more committees. Many hands and minds keep morale up and problems down.

We are a group that has always tried to give more than we have received. Let's keep up the good work.

## FROM THE PRESIDENT'S DESK

My goals for this year:

1. To increase membership and explore the possibility of obtaining women members.
2. Listen closely to all members and their concerns, complaints, and positive comments.
3. Look into possible alternative to projects for fund-raisers.
4. Explore liaisons with other groups who have, or deal with retirees or seniors for possible members.
5. Make meetings as enjoyable as possible.

Also, I want to take this time to say that I am honored to be your president.

Please remember the anniversary dinner on October 22 and if you have any difficulty attending meetings, please give me a call.

The message for this month is short but I will expand on it next time.

*Richard Johnson*

## INSTALLATION BANQUET

The Installation of Officers Banquet was held at Rotary Gardens on Wednesday evening Sept. 25th.

Lt. Governor Marcia Lee gave a special message of duty and encouragement to each incoming officer. Kiwanis lapel pins, indicating the officer's office, were presented to each incumbent.

Secretary Tony Guernsey passed out perfect attendance awards to those members qualifying for perfect attendance as defined by our bylaws.

President Bob Knudson gave a short summary of our club achievements last year. He then passed the gavel, our symbol of presidential office, to incoming president Richard Johnson.

Entertainment was by "Bop Ritual" a rhythm and blues group.
