Some of these include the "Pediatric Bags" used by the Janesville paramedics, seven local school breakfast clubs, scholarships for students at Blackhawk Technical College, UW Rock County and Craig and Parker High Schools. These funds also help pay for the printing of "Priority One", the newsletter for new parents of all children born at Mercy Hospital.

Plans have been made to visit the Beloit Noon Club on Wednesday April 15. The Club meets at the Beloit Historical Society, 845 Hackett St. We will meet at the EL-Ra Bowl parking lot at 11:30 am to car pool.

Our club is invited to meet with the Edison Builders Club on Thursday, April 30 for a special program by a Club advisor's trip to Africa. A sign up sheet will be passed at the April 8 club meeting.

FROM THE PRESIDENT'S DESK

April is a busy month for the Golden K. We have tree sales and Easter lilies. Volunteerism is at its apex. On the same day as the Easter lilies project there is a Mother's Day breakfast at the Elks sponsored by the noon Kiwanis. Could someone volunteer to attend the breakfast to see how it is run by the noon club? I would appreciate your help.

The nominating committee is gathering volunteers for next year. If you are interested, please contact Kurt Larson. Please bring in a new member prospect or a guest to the meeting. Encourage women to come to the meetings. Have a Happy Easter. Remember Wednesday is April Fool's Day.

Richard Johnson

Read Across America

On very short notice, 31 Golden K members, their wives and girl friends went to Lincoln Elementary School to participate in "Read Across America." Many other members wanted to help, but they were unable to be there.

In this program, adults are asked to spend 30 minutes reading to a small group of elementary school children. We had the joy of reading to them.

As we all know, little things in a child's schooling is what many student will remember. The example and encouragement that we shared helped these young children realize that reading is important to people besides their teachers.

We now know of a second reading opportunity on April 17. Signup sheets will be available at the April meetings. Can we do it again? We hope so.

Thanks for your help! Bob

MEDICINE DISPOSAL COLLECTION

On Saturday, April 25th, the city of Janesville will sponsor a medicine disposal collection at:
The City Water Garage
123 East Delavan Drive
9:00 to 1:00.

Here is a chance to clean out the medicine cabinet of all those pills, etc. that no longer have a use. This will be a drive through where you drive in one door, drop the medicine in a bucket, and drive out the opposite end of the building. This collection will take place rain or shine.

Leave the label on the containers. Cross out the name and the prescription number with a dark pen before leaving home. The pharmacist needs to know the names of the drugs so they may be properly disposed.

Six members of our club are asked to help. The different jobs would include: traffic control persons, pharmacist's helper and "drug runner"!

How about that! This is the only opportunity that you could "run drugs" and have a policeman, who would be present, smile at your good work and not arrange for you to have an appointment with a judge.

Please tell others about this wonderful opportunity to dispose of drugs in a manner that will safely keep them out of the environment and out of the hands of potential abusers.

Bob Johnson
