PATRIOTIC COMMITTEE Chair: *Dave Soderberg*

On June 16th 2010 our committee conducted a flag disposal ceremony at our Kiwanis Park 11:15 a.m.

This year we included Boy Scout Troop 540 of Faith

Lutheran Church. As the Assistant Scout Leader of this troop I asked the boys for help. We had six energetic young scouts who really helped make this day a success and our club members were very impressed with their commitment. We disposed of 520 flags in just 45 minutes. This was truly a record.

It was heartwarming to see the many veterans of our club helping and demonstrating respect in the disposing of these flags.

We tried something different this year. We found in collecting that there were 12 flags that could be washed and repaired. After doing this repair, we talked to people with worn flags and asked if we could replace them with the flags we reconditioned. We replaced a total of nine flags.

This program was truly a tremendous success. During the past 3 years our club has disposed of a total of 1,845 flags. Without this program I am sure many of these flags would end up in the local dump.

Our committee will be meeting to plan ways this ceremony can be even better next year. We had a great turn out of club members helping with the ceremony.

Have you seen the video of the ceremony on our web site?

MEALS ON WHEELS Chair: *Gene Sheppard*

August 23rd to August 27th

Pete Kealey submitted a bill from the Noon Kiwanis for \$105 to cover our costs for the joint meeting at Kandu Industries. It was pointed out that each member attending paid their own bill. Pete will contact the noon club.

Pete Kealey stated that the 2010 Mother's Day Banquet was the last one being sponsored by the Noon Club. After discussion a motion was made by Tony Guernsey, seconded by John Nevins stating that our club will not take it over due to declining interest and that our club's interest is with serving the youth of our community.
Motion approved

Gordy Drake submitted copies of our club's planning calendar for 2010/2011. This information is available to all members at our web-site:

www.kiwanisblackhawk.com

Pete Kealey submitted a request from the Rock Communities Youth Network concerning a community referral system for at risk youth 12-18 years old. Motion approved

John Nevins stated that the Janesville school district is not interested in the Kiwanis "Yell & Tell" program. It tends to be redundant to a program they initiated last year. This frees up \$500 in our 2009/2010 Service Budget.

Pete Kealey submitted Galen Humphrey for membership and the board approved. Galen will be inducted 7-7-10.

Pete Kealey adjourned the meeting @ 8:57 am.
