MESSAGE from the PRESIDENT

I am pleased to serve as your president, but help is needed in order for us to have another successful year.

Many of you have heard the following quote; "To succeed as a group, each person must do his or her job while trusting their team mates to do theirs." *Vince Lombardi*.

WOW! What a concept. The doing of your job is the easy part; the trust is the HARD part. The earning of the trust is the even HARDER part. How do you stack up?

We all want the same things. We all have a desire to help the children. It's all about the Kids.

Gordon Drake

TREASURERS REPORT

Will Reck

The 2010 fiscal year has ended. This means we have to prepare a budget for the new year. One of the significant additions to the budget is to donate \$5,000 for Project Eliminate. *We can do it!*

Will Reck

Is it good if a vacuum really sucks?

Why do "tug" boats push their barges?

If work is so terrific,
why do they have to pay us to do it?

Why do we press harder on the buttons of a remote control when we know the batteries are dead?

Why do we drive on a parkway, and park on a driveway?

I dunno, why do we?
