#### Mid-Winter Conference

Held in Green Bay on Feb. 18-19

Gordy Drake and John Janes represented our club at the Division 3 Mid-Winter conference. This conference spanned 3 days and included board meetings, leadership training, exhibits, workshops, governor's banquet, and concluded on Sunday with an interfaith service.

There were 20 workshop sessions. We attended sessions on fund-raising and service projects, achieving club excellence (part 1&2), club presidents, the ABC's of recruiting and public relations and marketing. All sessions were well presented with hands on practical information.

Hopefully we can present this information to increase membership and fundraising with a positive attitude, knowing it is all for the kids.

## Truck-On-Ice

Guys, last Wednesday, I heard you. You appreciate brevity, so here goes!

Thanks for all of your efforts to make this year's Truck-on-Ice truly successful. Ticket sales were about \$16,500! After expenses, we should make about \$12,000!

Individual sales and sales at our member staffed outlets were the keys to this tremendous project. Optimists predicting an early spring were correct for the third year in a row.

The truck sunk sometime on February 18, 2011. The winners will be determined after the ice melts in the lagoon.

Thanks again, *Pete and Bob*

## BOARD of DIRECTORS

Meeting: 02-23-2010

Members Present: 8:30 am  
*Gordon Drake, John Janes, Will Reck, Jerry Langdok, Gary Sullivan and Pete Kealey*

Others Present: *Dave Peterson*

Secretaries report of 1-26-11 was submitted at an earlier date. Motion made by John Orland, seconded by Will Reck to approve the minutes as submitted.

*Motion approved*

Treasurer's report was submitted and discussed by Will Reck. The current balance sheet shows income running somewhat less than last year for the Truck-On-Ice sales and more advertising expense is anticipated. Some income is expected from local businesses for ticket sales. Will Reck made a motion, seconded by John Orland to file the report as submitted.

*Motion approved*

Under new business, Gordon Drake passed out a sample of this year's posting for the tree sale. These signs will be distributed in the near future.

Gordon Drake made a proposal that our club send a letter to the Janesville Gazette expressing our appreciation for the support of the local community in our various programs. Further consideration will be given the proposal.

Meeting adjourned by Gordon Drake @ 9:02 am.

## GEORGE F. HIXSON FELLOWSHIP

On February 16, John Dooley presented Gordy Drake with the Hixson Fellowship award.

*The Kiwanis International Foundation Board of Trustees created the George F. Hixson Fellowship in 1983 to honor the first Kiwanis International President. Hixson, who served from 1916 to 1918, holds the distinction of being the only leader to serve two terms as Kiwanis International President. Overall, his record accounts for more than 50 years of dedication to Kiwanis service.*

*Individuals establish membership through a \$1,000 contribution or a minimum initial contribution of \$200, pledging to contribute the balance over four years. New George F. Hixson Fellowship members receive two numbered medallions bearing the likeness of Hixson. Both hang from a blue and white ribbon. One is encased in a walnut and velvet shadow box for display, and the other is worn at high-visibility Kiwanis functions. Also awarded is a tie tack/lapel pin. Diamond-level status is attained by Hixson Fellows who make additional \$1,000 contributions. Diamond recipients receive a diamond tie tack/lapel pin, and a tab that indicates what level of giving has been achieved. The tab attaches to the lapel pin, and a diamond pin is provided to affix to the medallion's ribbon. A new tab is given for every additional \$1,000 contribution.*

*Funds received for a Hixson Fellowship are used to support the Kiwanis Children's Fund, unless the donor requests otherwise. Each year at the Kiwanis International convention, a Foundation reception is scheduled to honor individuals in the Fellowship, as well as other contributors to major Foundation programs such as the Founders Circle, Tablet of Honor, and the Heritage Society.*

*Today, there are more than 35,000 Hixson Fellows, representing \$35 million in Kiwanis generosity.*
