#### TREE SALE

The final figures have been completed on the Tree Sale. We sold 10,000 trees and realized a profit of \$7,200.

In 2010, we sold 6,000 trees and our profit was \$3,500. In 2009, the profit was \$2,800.

Even with splitting the profit with Rotary Gardens, we received \$3,600 which is more than the two previous years. So, looks like we might be going in the right direction. Thanks to all of you for your participation.
