MESSAGE from the PRESIDENT

Gordon Drake

Kiwanians, we have many projects during the year and it requires many members to pull them off. We need your help on each and every project.

It is sad for me to report that only three members signed up for the Salvation Army Bell Ringing. You still have a couple of days to help out a very worthy group.

I do not have a date for the Riverside Park Association work day, but as soon as the details are worked out we will try to give a couple of weeks to plan ahead.

I was informed that the e-mail list may have stayed on one of the tables for most of the meeting. I had a couple of members say that it never got to their table.

Please:
GET INVOLVED, STAY INVOLVED!

INTERCLUB NEWS

Chair: *Carl Cramer*

The July Interclub visit is scheduled with the Whitewater Breakfast Kiwanis Club on Tuesday, July 12th.

We will carpool from Janesville at 6:30 am and have breakfast at 7:00 am in Whitewater. The early time presents us with the biggest challenge for obtaining volunteers.

Their meeting follows the breakfast meal, and the program will focus on aiding handicapped people to live in their homes and not in institutions.

The final sign-up opportunity will be at our normal meeting Wednesday, July 6th.

BOARD of DIRECTORS

Meeting: 06-29-2011

Members Present:

8:30 am

Gordon Drake, Pete Kealey, John Janes, Carl Cramer, Will Reck, Tony Guernsey, Jerry Langdok, John Nevins, Dennis Schroeder and Len Griffith.

Others Present:

Dave Peterson, Richard Johnson, Bob Johnson and Glenn Disrude.

Secretary's report of 5-25-11 was submitted at an earlier date. Motion made by Tony Guernsey, seconded by John Nevins to approve the minutes as submitted.

Motion approved

Treasurer's report was submitted and discussed by Will Reck. Will Reck made a motion, seconded by Tony Guernsey to file the treasurer's report as submitted.

Motion approved

Gordon Drake read a letter from Kiwanis International thanking our club for the donation of \$2,000 to the Eliminate Project.

Old Business:

Gordon Drake told us that the status of Edison Builders Club remains unchanged.

Bob Johnson reported that the 5 malfunctioning Flashing Stop Signs will be replaced at "no charge" by the supplier.

Gordon Drake stated that we are still waiting for more information from the Rock County Health Dept. concerning two possible projects.

We discussed the booklet entitled "Kiwanis Is a Verb" and agreed that it was beneficial, especially for our new members, to present a section at our weekly meetings. We will decide next month about ordering additional copies for our board members.

John Nevins presented quotes from MMPR and Thronsen Lettering, Inc. for vests that could be worn

by our members at our various fund raisers and projects. After discussion it was decided to also obtain quotes on aprons. This will be discussed further at next month's board meeting.

NEW BUSINESS:

Gordon Drake submitted a letter received from one of our members concerning political speakers. After discussion there is consensus among our board members that political speakers are acceptable as long as they are not campaigning.

John Nevins stated that the Parker pens that we have given speakers for many years are no longer available. John presented four pens that we had ordered from International for our review. The board decided to go with an Electric Blue Pen @ \$6.00 that comes with a gift box and uses Parker Jotter refills.

Gordon Drake presented two Kiwanis Day One projects:

- The Salvation Army is ringing bells for two days on July 8th and 9th. A sign-up sheet will be passed around at today's meeting.
- The Riverside Park Association has some work to be done including pruning and trash pickup along Rock River. Bob Paull will be getting more information.

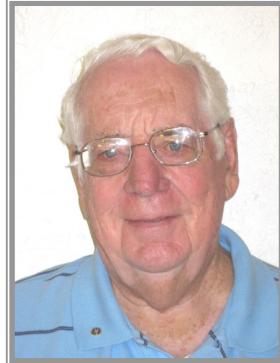

The board approved Ron Shuler for membership and also welcomed Dale Henning who has transferred from the Janesville Noon Club.

Meeting adjourned by Gordon Drake @ 9:20 am.

On June 15th 2011 at 11:15 am, our flag committee conducted our annual flag retirement ceremony at Kiwanis Park in Janesville, Wisconsin.

Through radio and local news articles we drew many people from Janesville to attend and honor the proper disposal of the many worn and tattered flags. This year we were fortunate to have our program on radio two times. Our club was also written up in our local newspaper twice.

Once again our program was a tremendous success. We had the privilege of disposing of a record 704 flags. The announcements helped citizens in Janesville realize that the American Flag must be retired with respect and dignity.

It was heart warming to see the many veterans helping and demonstrating their respect in the disposing of these flags.
