**From our PRESIDENT**

*John Janes*

The position has again brought new challenges with the passing of Bob Johnson, one of our club’s key people. He covered many positions that no one else wanted, and he did them cheerfully and without hesitation. Our challenge as a club will be to fill all the positions that he so willingly filled.

This time of the year will be especially challenging with our big fund raiser, Truck on Ice. Please be generous with your time to ensure a successful year.

Other challenges are spending time with our Edison Builders Club, Lincoln K-Kids, Breakfast Club, and possibly a new addition, working with the Boys and Girls Club.

Increasing manpower is needed to cover all these projects. Recruiting more men and possibly women is the only answer. Continue to pursue these special people from your neighborhood, church, old classmates or other special groups.

We hope to continue our support worldwide with the Project Eliminate. Remember it only costs \$1.80 to save a child’s life. Think about it the next time you order a glass of beer or even a cup of coffee. The money you just spent could save a life.

We have had 64 people sign up for committees. Thank you.

Our mission is to change the world one child and one community at a time. Please step up to the challenge.

John Janes, President
