#### From our PRESIDENT

*Carl Cramer*

July is a special time to reflect and celebrate the freedoms we have in our country. Our club committee on Patriotism and Flag Respect is ably led by Dave Soderberg and includes eight other Kiwanians. The work they do is an asset to our community and is gaining strength each year. On this Fourth of July, let's celebrate the best features of our country.

Later this month Glenn Disrude, *President Elect* and Gordon Drake, *Lt. Governor of District 3*, will share items of interest experienced by attending the Kiwanis International meeting in Vancouver, Canada. This summer the annual District (Wisconsin/Upper Michigan) Kiwanis Convention meeting will be held at the Racine Marriott hotel, Racine, Wisconsin, on August 23-25. If you would like to become a leader in Kiwanis, this is a great learning experience. Talk to other Kiwanians about this opportunity. You can learn a lot about the Kiwanis organization; All You Ever Wanted to Know about Kiwanis! *Ha.*

The development of a vaccine for protection against tetanus was accomplished in 1920. For people living in tropical areas of the world, where the conditions are right for transmission of tetanus, the availability of this vaccine, through Project Eliminate, has been a blessing. For the price of \$1.80 which buys a series of three inoculations, immunity can be conferred. These vaccines can be the difference of life and death to many. Our Golden K club will send \$3,000 to this project, this year, to help eliminate Neonatal Tetanus for new mothers and babies. Keep up the good work!

## BLOOD MOBILE Co-Chairs: John Janes, Gordy Drake

Held at Roxbury Church of Christ  
June 17<sup>th</sup> and 18<sup>th</sup>

The Blood Drive is one of our Service Projects. It requires a few hours of our time, but helps in saving lives in our community as well as the surrounding area.

Getting the word out to local donors was accomplished by members taking five posters and a list of five sites that were in their general area. Thanks to those of you who helped.

A list of locations was made up by Karen Bohn of Faith Lutheran Church. Because of her effort, the last two drives were the most successful that we have had in the last few years.

This Service Project took 65 hours; plus an estimated 12 hours to locate posters in local churches and businesses. The total hours spent on this Service Project was 77 hours.

We exceeded the goal of 110 pints of blood, and one pint of blood can save as many as three lives.

We had four donors: *Ron Schuler      Maury Frey  
Paul Neitzel      Gary Sullivan*

Thanks to all of you who helped!

*John and Gordy*

### **FLAG RETIREMENT CEREMONY**

June 12<sup>th</sup>, 2013

On June 12<sup>th</sup>, our committee conducted a flag retirement ceremony at our Kiwanis Park here in Janesville, WI at 11:30. The Gazette, as well as the Messenger, took numerous pictures during the ceremony. The pictures made news in both papers. Andrea from the radio station set up a phone interview and this in turn was aired on both WCLO and WJVL during the morning of the event.

Boy Scout Troop 405 had seven scouts helping us with the program. They were a great help and made the program run smoothly.

This year we retired 625 flags. Our total retirement since we began in 2008 is 3,985 flags that were properly retired. This year we added a third burn barrel which helped us complete the ceremony more efficiently.
