Craig Closet Update

Thought we should give you an update on CRAIG CLOSET for 2021.

We received 17 thank you cards from the 17 students we helped have a better Christmas this year. Again a warm fluffy blanket was the favorite for most of the students. We started the program 8 years ago helping 2 students and it has grown to 17 students this year because of your support and generosity. Vicki & I thank you for all of your support over the years. If anyone would be interested in taking over this program please let me or Tom Neumann know. Once again you are all the best.

Jerry & Vicki Langdok

Secretary's Report:

Paul reminded the Board of the upcoming conventions and conferences for Kiwanis members. The International Convention is June 8-11 in Indianapolis, IN. The Wis-Upper Mich. conferences are March 26th in Madison and April 23rd in Escanaba, Michigan. If anyone is interested and needs help with registration or more info, see Paul.

Treasurer's Report:

Greg stated that the Administrative Account has a balance of \$13473 and suggested that the club has more than enough funds in the account and that we should consider moving some of the money to the Service Account. That is something the Board can legally do if we want to at a later date. The Service Account has a balance of \$40830 and is up by \$9891 since January due to Truck on Ice income. One \$500 scholarship was paid out.

Membership Committee:

Bruce Pierson has resigned as chair of the committee so if anyone is interested in taking on this responsibility, please see one of the Board members about it. The club would like to thank Bruce for all of his time, talents and financial gifts devoted to this endeavor.

Singing:

Singing at club meetings will resume on March 2nd

Scholarships: .

Glenn Disrude presented a scholarship overview and request to the Board. Glenn proposed that the club should create a Blackhawk Golden "K" Bob Johnson Memorial Scholarship at Craig to help us celebrate Bob's love of his students and promote his active membership in the club, particularly with Truck on Ice. Adding this scholarship would give us 3 \$500 scholarships at each high school. Prior to Frank Douglas's passing, three scholarships were awarded at each high school by our club. Because of accounting responsibilities associated with the Frank Douglas Social Studies Kiwanis Scholarship, the Community Foundation is now managing Frank's scholarship. This change has changed our awarded scholarships to 5. We award 3 at Parker and 2 at Craig. Adding this scholarship will make things equal in regard to money given to each school. Lon Coppernoll made a motion to approve this request and was seconded by Tom Neumann and passed. Glenn also expressed a desire to increase the scholarships from \$500 to \$600-\$700 due to the increased cost of college. Glenn is going to look into what other clubs are doing and re-

port back to the Board at a later date for the Board to vote on

Joint Service Luncheon:

The luncheon that was scheduled for early 2022 hosted by the Noon Lions Club has been cancelled due to Covid concerns.

Club Brochures:

Luci Cramer reminded the Board of the need to update our club brochure to reflect our new location, Facebook page, website etc.

St. Patrick's Day Party:

Bruce Jorenby gave us an update on the party particulars such as the meal, cost, entertainment and location. It will take place on March 16th at 5:00 p.m. at the Elks Club.

Each person will order off the menu and pay for there own meal and drinks. The only subsidy will be for dessert, which will be a cake.

Hockey:

A sign-up sheet will be passed around for interested members to attend a Janesville Jets hockey game. The date is April 2nd. If we can get about 10 or more people to go, we can get a group rate of \$6.00 per person and some recognition for the club. There will be no cost to the club.

Golden K Website:

Dave Peterson presented a handout to the Board showing the club history of the Golden K website and the current critical issues facing us in regard to maintaining the current website.

The issues facing us are as follows:

Microsoft Support for Internet Explorer 10 will stop on June 15, 2022.

There is no club backup for what Dave does to maintain our website.

No technical support since 2015.

Windows 11 will soon replace Windows 10. Dave said that he has no confidence that all the alternate methods he used for the last 7 years will continue to work.

There are solutions to these problems but at a cost.

His request to the Board is to answer by the next meeting:

Does Kiwanis Golden K need a website?

If YES, what do we need a website to accomplish for our club?

Meeting adjourned at 9:20 a.m.
