## Treasurer's Report:

Greg Turco reported that our administrative checking balance was up by \$3981 due to the August Mid-Year Appeal. Our combined service checking was up by \$9823 due to a \$10,000 donation. (Truck on Ice sponsorship and general purpose). Linda Bontly and Roger Willeford had training on the new NetSuite Accounting Software. Greg said that he expects a surplus in the Administrative Account because of two fund appeals and a surplus in the Service Account. Greg made a motion to approve the monthly treasurer's report and was seconded by Paul Neitzel and approved.

## Meet Your Fellow Kiwanis Member

### Robert D. Wilcox

I am a Wisconsin native who grew up in West Salem

which is near La Crosse. My family includes my wife Anita of fifty-two years. She was a teacher for Blackhawk Tech. We have two children: Amy who lives in Geneva, IL and works for McDonalds. Our son Christian, lives in Evansville, WI and works for Electronic Theater Controls in Madison. We have three

grandchildren. We are fortunate that they and their children live close enough for us to see regularly.

West Salem had a population of less than a thousand when I was growing up. A good number of those residents were my relatives which made it difficult for me to do anything that didn't get back to my parents. West Salem was a child friendly area. We had hills to climb, a lake to swim and fish in, a cave down by the La Crosse River to explore and bikes to get wherever we wanted to go. Later I hunted deer, duck, geese, squirrels and pheasant but that is now in the past.

After high school I attempted to get a higher education. College academics required personal discipline so after three uninspired and disorganized semesters I moved on to get some military discipline. In those years if one wasn't in school the military was watching and inviting young men to join.

While it took a number of enlistments I am retired from the U.S. Army. After separation from my first enlistment, I went back to college at UW-La Crosse and then UW-Madison.

I then went to work for Rock County evaluating social service programming and later managing a program for people exhibiting, antisocial behavior ie. violent behavior.

Eventually, I left there and started "All Pest Control" a business that I have owned for thirty plus years and will be retiring from by the end of this year.

My hobbies have included: photography, running, motorcycling, hunting and fishing. I fished with a group of guys for 30 years. We fished a number of lakes in northern Wisconsin and eventually settled at a resort near Hayward on Nelson Lake. We also went to Canada a few times. That group ended the fishing trips this past spring. A sad day. My current hobbies include, reading, fixing things around the house, bicycling, golfing poorly and traveling with Anita. We are headed to France which includes a boat trip on the Seine, visiting some sites and finishing at Normandy and then a week in Paris.

I joined the Kiwanis because former member Dan Heerey asked me to visit/join. He said I would like the members and the club. He was right

## Weekly Programs

One of the many advantages of being a Kiwanis member are the many programs that both enlighten and entertain members. Following is a brief glimpse back at the August programs.

August 30, 2023

### Good News

**David Thill** announced that the 'mid-Year' fund appeal to support local Kiwanis programs resulted in \$5,850 being donated by members.

**Maury Frey** announced as of August 30th, the campaign to raise funds for Alzheimer's research has received \$4600 in donations. Of that, \$1870 was donated by Golden K members. That is great and makes me proud to be a member. Thank you. If you still wish to donate, cash or checks can be given to Maury Frey. His family has taken this project on because of their experience with Alzheimer's. They are shooting to raise \$10,000.

This campaign is part of the Alzheimer's walk which is being held at Palmer park on Saturday, September 23rd. It is a two mile walk. A lot of walkers do not walk the entire distance. They do part of it and then turn back for a program and refreshments at palmer park. There is no cost to participate. The Frey family will have 30 to 40 family members doing the walk.

### Upcoming event:

September 27 – Installation of Officers and Luncheon at Rotary Gardens. Spouses are welcome. All food and drinks will be provided by the restaurant Knutes of Orfordville.
