BOARD of DIRECTORS Meeting: 12/31/25

Called to order by President Johnson at 8:15 a.m.

OFFICERS

President: Richard Johnson
President Elect: Tom Neumann
Past President: Roger Willeford
Vice President: Jim Farrell [abs]
Treasurer: Greg Turco
Secretary: Paul Neitzel

Directors: Linda Bontly, Ryan Lewis, Steve Skelly.
Absent: Ray Szczepaniak and Carl Cramer.

Others Present: Luci Cramer, John Janes, and Bob Knudson.

Secretary's Report: Paul discussed some billing issues with Kiwanis International and said that as soon as he gets the updated information from current Kiwanis members, he'll be able to update all the member files and get them printed and handed out to the membership. The minutes were approved as printed in the Smoke Signal.

Treasurer's Report: Greg informed the board that the administrative checking was down due to our annual dues payment of \$5684. The service checking was also down due to the Parker & Craig holiday donations. Greg stated that Jim Farrell will be briefing the board next month on the just completed audit of fiscal 2025 and that Greg will be filing IRS Form 990 now that the audit is done. The last item will be to write the donation checks. Greg moved to approve the treasurer's report and was seconded by Tom Neumann and approved.

OLD BUSINESS

Kiwanis Signature Project: Tom Neumann brought up for discussion the idea of submitting to Kiwanis International a signature project for club recognition and possibly to win some prize money. Some ideas that were discussed included our Truck on Ice Project and the Buddy Benches being installed in schools. The Project is open for submission beginning Jan. 6, 2026.

The board didn't decide on if it wants to pursue going ahead with this project.

NEW BUSINESS

Member Shirts: New members receive a club shirt paid for by the club but instead of having to wait until we get enough orders, it was decided to go with another vendor where you can pay for individual orders in order to get them in a timely fashion.

Co-Chairs on Committees: John Janes brought up the topic of having co-chairs on every club activity. In the event that the club can't get a volunteer to co-chair an activity, he felt that every board member should be available to help co-chair a project. Carl Cramer will be working on updating the member committee list along with a description on what the responsibilities are.

New Member Sponsors: In an effort to increase membership and reward the member who brings in a new member to the club, Tom Neumann made a motion to give a \$50 gift card to the sponsor. This motion was seconded by Ryan Lewis and approved.

Lily Day: Bob Knudson is resigning from the committee chair of this activity and is looking for a volunteer to take over this responsibility. The responsibilities include finding businesses willing to let us collect donations at their place of business and organizing volunteers for each station.

Club Website: Ryan Lewis presented the board with a handout describing the website maintenance involved and what the website can do for us as individuals and as a club.

He also expressed help for including information on a variety of topics to be included on the website such as the Constitution and By-Laws, member directories, other area clubs and their projects, history, member photos and biography (password protected) along with the committees they are on and why you should join Blackhawk Golden K. Ads could also be created for such events as the Tree Sale. Another priority would be to have debit payment processing, fee free, which we could use for a variety of projects without transaction surcharges.

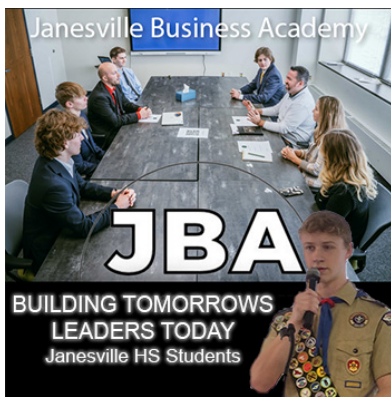

Meeting adjourned at 9:10 a.m. Submitted by Secretary, Paul Neitzel
